ELLE | RISD DESIGN AWARD

This elite competition includes a **scholarship award** from ELLE, editorial coverage, and a showcase of selected student work during Fashion Week in New York City.

ELLE will select an approximate number of **RISD students** (inclusive of Apparel Design, Textiles and Jewelry, and Metalsmithing) based on original designs created and submitted as semi-finalists to be considered for several scholarship awards.

Select work will be featured in the **October 2010 Anniversary Issue of ELLE** and on **ELLE.com**, and one grand prize winner and several runners up will split \$25,000 in award money. In addition, selected designs will be showcased in New York City during September 2010 fashion week.
